

HOW TO CLEAN A *really gross* SHOWER DOOR

SOAP SCUM
HARD WATER
MOLD

*"Nothing seems to get this shower door clean.
And don't get me started on the corners and tracks..."*

"I've tried everything."

TIME FOR THE
**BAR KEEPERS
FRIEND**
FIVE-MINUTE CLEAN

*Learn How
on Page 2!*

1

Put some **BAR KEEPERS FRIEND** Cleanser powder or **MORE Spray + Foam** on a **wet sponge** or non-scratch scrub pad.

2

Apply evenly to the shower door. Don't forget the corners and inside the tracks.

3

Gently scrub with a sponge, cloth, or scrub pad.

4

Let it sit for a minute. But **NEVER** more than a minute!

5

Rinse off thoroughly.

Need Really Big Guns?
Try the Cookware Cleanser.
Boosted with 50% more detergent.
